

# Index to *Christian Standard* for 1990

Index references are in page numbers related to the annual volume. By months of publication they break in this way:

1-96 in January  
97-184 in February  
185-280 in March

281-392 in April  
393-488 in May  
489-576 in June

577-696 in July  
697-784 in August  
785-904 in September

905-992 in October  
993-1088 in November  
1089-1200 in December

## By Topic

Our topical index provides a key to essays, editorials, and the more significant "Mailbox" items, with writers identified by surnames in the case of essays, "Ed." for editorial, and "MB" for writers of "Mailbox" letters.

Topical headings are chosen with a view to practical usefulness. They do not always reflect scientific classification.

We have tried to identify each piece according to its principal thrust, and sometimes we have made double listings. Items are listed under Bible text only when they are clearly exegetical.

We suggest that the user review the entire list of categories.

### Abortion

Abortion, No-But Then What?-Norris, 8  
Christians Attend Pro-Life Rally-Ed., 603  
Letter to My Unfinished Grandson, A-Sprinkle, 521

## Reading for Readiness

**Christ Above All**  
**Robert C. Shannon**  
**Standard Publishing; \$9.95**

In thirty-one sermons, Robert Shannon gives a multifaceted view of Jesus Christ. Declaring the supremacy of Christ and the supremacy of sermons focused on Christ allows the book to move from the prophetic Psalms (118) to the closing words of Revelation. This wide array of Scripture gives the reader a glimpse of Jesus in a variety of settings.

Robert Shannon continually gives us a variety of word pictures that illuminate each subject. In a modified topical style of preaching, he allows us to experience with Christ but never leaves us stuck in the New Testament culture. At times the wording is succinct and direct and sweeps the reader along with the sermon, such as "The Fox and the Lamb." Most other sermons are not as dramatically arresting, but always brim with application, pertinent quotations, and protracted consistent theme development.

This book is not a sermon book for preachers to buy and preach, as much as a sermon book for all to read and apply. These sermons live. They were

surely all preached to an actual congregation. The greatest benefit to me is in reading, experiencing, and applying them.

—Thomas N. Haney  
 Phoenix, Arizona

**Youth Ministry, Small Churches**  
**Rick Chromey**  
**Group Books**

"Youth Ministry, Small Churches" is very realistic. I had a ministry in a small church three years ago, I did laugh at times, yet many things in the book made me miss working in a small church. The book is most definitely helpful for youth ministers and volunteer youth workers in a small church.

—Gary Angel  
 Cincinnati, Ohio
